ARTOME CINEMA

ARTOME CINEMA

Optimal speaker positioning

Authentic home theater experience without compromising on decoration

No visible cables

Cabling built into the cabinet

"Plug-and-play"

Connect the Artome Cinema and the TV with an HDMI cable

No extra remotes

Artome Cinema is controlled by the TV remote control

Tip!

Bluetooth is the easiest way to play music with Artome Cinema

Artome always uses AV amplifiers that comply with the CEC standard* in its products.
*Consumer Electronics Control (CEC) is a feature that controls the Artome Cinema with the TV remote control.
